This ADDENDUM TO RESIDENCY AGREEMENT (“Addendum”) is effective as of _____, by _____ (“Institution”), MIDOCs Consortium, (“MIDOCS”), the _____ Residency Program (“Program”), and _____ (“Resident”).

BACKGROUND

Resident is employed as a resident physician pursuant to a residency agreement (“Residency Agreement”).

Resident currently possesses or will possess as of the effective date of this Addendum a medical degree and with full knowledge and intention, hereby voluntarily commits to enrollment in and completion of the MIDOCs Program and the two years of practice in an Underserved Community, subject to the terms and conditions stated herein.

NOW THEREFORE, in consideration of the above, and the mutual covenants contained herein, the parties hereto agree as follows:

ARTICLE 1 – GENERAL TERMS

1.1 **Resident Status.** Resident is employed as a resident physician in accordance with the terms of the Residency Agreement. Resident agrees to be bound by the terms of the Residency Agreement as modified and supplemented by this Addendum.

1.2 **Practice Requirement.** Resident acknowledges and agrees that MIDOCS was established and funded for the purpose of providing physicians with medical residency training to practice in certain Underserved Communities (as defined below). As a condition of acceptance into the MIDOCS residency program, Resident agrees to (i) practice general medicine in an Underserved Community for a minimum period of two (2) years commencing within ninety (90) days after completion of the medical residency program; and (ii) forego any sub-specialty training during such two (2) year period (the “Practice Requirement”) with the exception of a child and adolescent psychiatry fellowship which must be integrated with a psychiatry residency training program in a MIDOCs affiliated institution. Resident will not perform another service obligation concurrently with his or her MIDOCS service obligation. Residents who have an outstanding service obligation to another entity, such as the federal government, the State or any other entity, may complete such other service obligation after the MIDOCS service obligation is fulfilled.

1.3 **Underserved Communities.** Resident shall commit to fulfilling the Practice Requirement in an underserved area of Resident’s choosing within the State of Michigan (an “Underserved Community”). For purposes of this Addendum, an “Underserved Community” shall include:

A. a Health Professional Shortage Area, as designated by the Health Resources & Services Administration;

B. a Medically Underserved Area/Population, as designated by the Health Resources & Services Administration; or

C. an underserved area identified through community needs assessment, Michigan Physician Supply and Demand, Michigan Physician Rural Health Profile, or other data approved by the Executive Committee.

ARTICLE 2 – FINANCIAL ASSISTANCE

2.1 Loan Assistance. MIDOCS shall provide to Resident for the sole purpose of the repayment of Resident’s medical education student loans a total amount not to exceed Seventy-Five Thousand Dollars (\$75,000.00) (“Loan Assistance Amount”). Payment shall be made by MIDOCS directly to Resident in three lump sum payments based on the submission of proof of qualifying loans. The first payment will be \$5,000 upon receipt of a copy of Resident’s signed employment contract for their Practice Requirement. The second payment will be up to \$35,000 (or the lesser of the current balance on qualifying loans) at the start of the first year of the two-year Practice Requirement. The final payment will be up to \$35,000 (or the lesser of the current balance on qualifying loans) upon verified completion of the first year of the Practice Requirement, and at the start of the second year. Resident will be required to provide proof that payments have been applied to qualified loans.

2.2 Completion of MIDOCS Program. Resident must commence the Program no later than 7/1/___ and must complete the Program by no later than 6/30/__. 2.3 Material Inducement. MIDOCS, Program and Institution each agrees to enter into this Addendum with Resident based on Resident’s voluntary assertions and representations that Resident will complete the Practice Requirement. Such representation is a material inducement for MIDOCS, Program and Institution to enter into this Addendum and to agree to provide such educational opportunity to Resident. It is further understood and agreed that without such commitment by Resident neither MIDOCS, Program nor Institution would enter into this Addendum.

2.3 Insurance Option. Resident agrees to permit MIDOCS or the Institution, at their discretion and cost, to obtain a term life insurance policy on the life of Resident.

ARTICLE 3 – REPAYMENT

3.1 Wage and Tax Treatment of Loan After Completion of Training. Resident is advised to consult his or her own legal counsel, accountants and advisors regarding tax implications of this Addendum.

3.2 Premature Termination. MIDOCS will use reasonable efforts to assist Resident in fulfilling his or her obligations for Loan Assistance pursuant to this Addendum. In the event of Resident’s voluntary termination of this Addendum prior to full satisfaction of Resident’s obligations for Loan Assistance hereunder, unless mutually agreed to by all parties, Resident shall:

A. Pay to MIDOCS any Loan Assistance amounts paid to Resident representing the Practice Requirement term not completed,

B. \$11,250 multiplied by the number of months of obligated service not completed;

- C. interest on the above amounts at the maximum amount authorized by legal authority; and
- D. forfeit any right to future payments from the MIDOCS program.

The minimum amount that MIDOCS is entitled to recover from a Resident who terminates pursuant to this section will not be less than \$46,500.

Resident understands that Program shall not accept nor be required to accept any form of partial, periodic or monthly payments to pay off the total amount due. Institution shall pay to MIDOCS any amounts received from Resident under this Section 3.2.

3.3 Termination During Program. If Resident is terminated for any reason or no reason from Institution, as determined solely by Institution, during the MIDOCS Program, Resident and Institution will receive no advance funds for such Resident beyond that which has already been received from MIDOCS. Further, Resident expressly and voluntarily agrees to repay immediately to MIDOCS any Loan Assistance Amounts paid to Resident for any portion of loan assistance amounts representing the Practice Requirement term not completed prior to such termination. Resident understands that MIDOCS shall not accept nor be required to accept any form of partial, periodic or monthly payments to pay off the total amount due.

3.5 Deferral or Waiver. For good cause, Resident may request in writing that the Practice Requirement be deferred or waived in whole or in part. Any such request shall be granted in MIDOCS' sole discretion.

3.6 Voluntary Undertaking. With a complete understanding of Article 3 of this Addendum, Resident specifically, freely, unequivocally and voluntarily requests that deductions be made from Resident's final paycheck in accordance with the provisions of Article 3.
